

Training and Capacity Building for Students, Academic and

Administrative Staff

INTRODUCTION

At Global College Ambo, the Office of Quality Assurance—working closely with academic, administrative, and support units—remains firmly committed to enhancing the quality of teaching, learning, and institutional performance. As part of this commitment, the College has designed and delivered a series of capacity-building training programs aimed at empowering staff and students with the knowledge, skills, and mindset required to meet national standards and global expectations.

These trainings focus on strengthening academic excellence, improving student support systems, advancing digital competencies, and fostering a culture of continuous improvement across the institution. By addressing key areas such as instructional effectiveness, assessment literacy, exit exam readiness, technology integration, and psychological preparedness, the College ensures that its community is well-equipped to excel in an evolving educational landscape.

The following are the major trainings organized by the Office of Quality Assurance in collaboration with relevant offices, reflecting our ongoing dedication to building a strong, capable, and future-ready academic environment.
